Hogan, Attorney General	7,962

Columbus, Nov. 30.—Governor Judson Harmon has set a new mark in Ohio politics. Not only is he the first Democrat to be re-elected since 1851, but he is the first to achieve a plurality of over 100,000. This is shown by the official tabulation of the returns for the office of governor, completed by the experts in the office of Secretary of State Carmi A. Thompson. The margin over the 100,000 mark is ample to win the wagers of those—and there were some—who backed their forecasts with money that this figure would be reached or exceeded.

In face of the fact that Governor Judson Harmon received on November 8 last 75,492 fewer votes than he was honored with in 1908 his plurality was increased 81,005, the official margin of victory this year being 100,377. Two years ago he received 552,569 votes, and this year he got 477,077. On the other hand, Warren G. Harding got 156,497 fewer votes than Andrew L. Harris received in 1908, his total being 376,700, as against 533,197 for his predecessor on the ticket.

The shrinkage in the total vote was not as large as expected. The general opinion was that it would scarcely exceed 900,000, but the official figures show that 932,262 votes were cast this year, a falling off of 204,268. The total vote in 1908 was \$1,136,525. In accounting for the loss to the two great parties the increase in the Socialist vote is to be considered. Two years ago that party got 28,573 ballots and this year 60,637, a gain of 32,064. The increase was more, over 100 per cent. The Labor party increased from 797 in 1908 to 2,920 this year, a gain of 2,123. The Prohibition party, on the other hand, receded. In 1908 it cast 7,665 and this year only 7,129, a loss of 536. It is quite evident that the Republi-

cans suffered most from the stay-at-home vote and the refusal of many of that party to vote for a gubernatorial candidate.

Governor Harmon carried 65 of the 88 counties in the state. The banner plurality was received in Cuyahoga county, where he was given 18,773. The lowest was in Jefferson county, which he carried by 10. Of the 23 counties which Harding carried, Ashtabula gave him his largest plurality, 1,198, and Noble the smallest, 102. Two years ago Harmon carried only 42 counties, and had only 19,372 plurality over Harris. The bulk of this was furnished by Hamilton county, which gave him 18,936. This year it furnished him only 9,288. This year no county can claim any signal honor in that respect.

That Governor Harmon carried the rest of the state ticket through is easily demonstrated by the pluralities accorded the rest of the candidates thereon. The majority of Atlee Pomerene for lieutenant governor over Francis W. Treadway is 45,531, or 54,840 less than that for Harmon over Harding. Mr. Pomerene received 37,923 fewer votes than the head of the ticket, and Mr. Treadway got 16,923 more than Harding. Charles H. Graves, for secretary of state, had a majority over Granville W. Moon, confessedly the strongest candidate upon the ticket, save Attorney General Denman, of 18,205. He got 53,497 votes less than Harmon. The fight against State Treasurer David Staley Creamer, it was thought would run him far behind, yet his official majority over Rudy W. Archer is 26,070. He ran behind Harmon just 49,445. The closest battle was that between Timothy J. Hogan and Ulysses Grant Denman for attorney general. Mr. Hogan's excess over Denman is 7,962, but he is short of the Harmon vote 58,309. On the other side Denman exceeded the Harmon vote by 34,106.

The heaviest vote of the Socialist party was in Franklin county, and was due to the conditions growing out of the prolonged streetcar strike. Cuyahoga county came next and Hamilton, and Montgomery counties are almost neck and neck for third place. Next in order are Stark and Butler counties, where large gains were made at the expense of the Republicans.

That the Democratic complexion of the general assembly is also due to the extraordinary race made by Governor Harmon is demonstrated by the salient fact that he carried 23 counties this year which gave Republican majorities two years ago, and retained his hold upon those he won in his first fight.

Announces That Airship Liners Will Soon Fly Between Boston and Washington.

New York, Nov. 30.—Airship liners will ply between Boston and Washington within six months, according to plans announced by Chas. J. Glidden.

den, president of the Aerial Navigation Co., New York, Philadelphia and Baltimore will be ports for the aerial greyhounds.

Melvin Vaniman, chief engineer of the Walter Wellman expedition is one of the backers of the new service. He is now at Atlantic City, where he will supervise the building of the first ship to plow through the atmosphere waves between Boston and the nation's capital.

Although the dimensions of the first craft have not been announced, the promoters say it will out do the famous new Zeppelin liner. The German dirigible is 472 feet long, carries sixty thousand cubic feet of gas and has 400-horse power motors.

The route of the American service is to cover 458 miles. There will be seats for 20 passengers and two crew aboard the liner. Work of constructing the ship will begin immediately.

GOVERNORS

Out For Big Time But Not Having It
Easy By Any Means—Governor
Harmon On Committee On
Procedure.

Louisville, Ky., Nov. 30.—The governors who came here to attend the big conference are out for one big time. Tea parties, banquets and receptions make a stronger appeal than the income tax or direct popular senatorial election. These latter, they claim, border too close on politics. Most of them say they did not come to fight. Some of the progressives from the west are wondering what they did come for. Votes for women and uniform divorce laws are also under the ban. The east controls the committee on procedure of which Governor Harmon is a member and this committee decides what subjects shall be discussed.

An insurgent movement by western governors is thought probable. The easterners want to go home, but the westerners want to stay until all the things they came to discuss have been gone over. All that has been left on the program is a corrupt practices act which no governor dare fight and an employers' liability law and conservation. A split on the latter is also probable, easterners favoring national and westerners state control.

Administrator of
Etherington Estate
Sues Former Sheriff

Suit has been brought against ex-Sheriff Wm. Linke and his bondsmen, by George Bohon, administrator of the Carl Etherington estate.

Bohon filed the petition in the United States court at Columbus Tuesday afternoon and asks damages against the ex-sheriff and his bondsmen in the sum of \$10,000 for alleged remiss of duty of the former.

WILL OPPOSE ANY TARIFF REVISION

Washington, Nov. 30.—We shall oppose any kind of tariff revision at this session unless they want to raise rates. The duty on some things is not high enough. If they want to abolish concessions given to the Philippines and Cuba, we will give them our hearty support.

This was the statement issued today by Secretary Wakenan of the American Protective League, who has been here two days preparing for a fight against any move for revision downward.

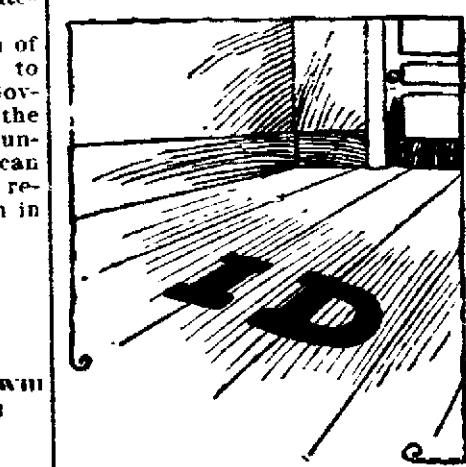

DR. F. A. COOK

CONFESSES TO EDITOR THAT HE
MAY NOT HAVE REACHED
POLE—IS HIMSELF IN
DOUBT.

Says Far North Is Reign of Insanity.
Doubts Confidence of Public
in Sincerity.

New York, Nov. 30.—Dr. Frederick A. Cook has confessed that he does not know whether or not he found the North Pole. This announcement was made today by the editor of Hampton's magazine. Cook's own story will begin in the January number of that publication.

WHAT IS IT?

What kind of complexion?

Answer to Tuesday's puzzle—President.

UNCLE OF THE CZAR TO BE GUEST OF UNITED STATES

It has been officially announced in St. Petersburg that Grand Duke Michael, uncle of the czar, will visit the United States within the next month. The grand duke met Secretary of War Dickinson when he was in Europe and discussed armies and navies at great length. The grand duke made it known that he would like to visit the United States, paying a special visit to West Point and Annapolis. It is said that Secretary Dickinson extended a hearty invitation to the grand duke to be the guest of the United States. Then the secretary hurried to the cable office and sent the information to President Taft, stating what he had done. The president agreed that the United States would be glad to greet the duke, and a second invitation was extended.

INCREASED POPULATION OF THE COUNTY MEANS SALARY RAISE FOR THE OFFICIALS

The census of Licking county, just concluded by the bureau at Washington shows an increase in population of 9,000 net. This increase in the population affects the salaries of those county officials on a salary, as most of them are. Beginning with the commencement of their respective terms they will draw an increase of salary. Following are the present salaries of the several county officials, together with the increase they will receive: Probate judge, \$3,390, increase \$360; clerk of court, \$3,005, increase \$320; auditor, \$3,390, increase \$360; treasurer, \$3,390, increase \$360; sheriff, \$2,345, increase \$280; recorder, \$2,310, increase \$240; prosecuting attorney, \$2,630, increase \$320.

The county commissioners are allowed at the rate of \$124.50 per month; the infirmity directors draw \$2.50 per day and the county surveyor \$5 per day.

In the opening article Cook says he thought he reached the pole but later reasoning made him uncertain whether he did or not. He says he wants a chance to present his case to the public because the sympathy and confidence of his fellowmen means more to him than the attainment of the pole ever did.

He says he will tell the entire story and then after reading it if the public will say "Cook is sincere and honest, half crazed by months of hunger and privation he believed he reached the pole. He is no faker," then he will be satisfied.

Cook tells the story of his own life, describing his overmastering longing to reach the pole. He declares he had convinced himself that he had done so and said it would be impossible for any man to demonstrate that he reached the pole. The far north, he says, is a reign of insanity where one cannot believe the evidence of one's eyes.

Men who have read the story saw Cook's description of his mental processes before, during and after his so-called discovery say this part of the story is a remarkable piece of descriptive writing. Another starting point is Cook's statement that since his disappearance from New York with all the newspapers wild to get a clue to his whereabouts, he has never worn a disguise. He says he spent most of his exile in London. He will bring his wife and children back December 22 to spend Christmas with relatives in the country.

FIRST MURDER CASE IS SELECTED BY OFFICIALS

Montella Watha, Haitian, Arrested
Shortly After Etherington Lynching,
----Hearing Monday

WILL BE FOLLOWED BY FOURTEEN OTHER TRIALS

Prosecutor Phil B. Smythe Will be Assisted by
Wm. H. Miller of Attorney General's Office
and Cases Will be Pushed Rapidly.

Prosecuting Attorney Phil B. Smythe and Assistant Attorney General of the State W. H. Miller, appeared in court Wednesday and gave notice to court and counsel that they had selected the case of the State versus Montella Watha as the first of the cases to be tried on the charge of first degree murder. The jury has already been summoned and the trial will begin Monday, December 5, and will be followed by fourteen other trials on the same charge.

Watha is aged 51, colored, and is said to be a native of Haiti. He was arrested at 10:30 o'clock Tuesday morning, July 12, just four days after the Etherington lynching, charged with being a participant in the crime. The arrest was made at the home of Laura Jones on Railroad street by Chief of Police Hindel, Patrolmen

Ill, and late Saturday afternoon pneumonia set in. Sunday it became necessary to use oxygen to prolong his life, and he sank steadily after that.

He was born in Harrison county, O., December 30, 1835, a son of Rev. Sylvester Scovel, a native of Connecticut. Dr. Scovel graduated from Hanover College (Indiana) with the class of 1855, and from the New Albany Theological Seminary in 1857. He was licensed by the Presbytery of New Albany and ordained by the same presbytery October 28, 1857.

From the latter year until December, 1860, he served as pastor of the Jeffersonville (Ind.) church, and from 1860 until January, 1866, at Springfield, O. In that year he was called to the First Presbyterian church at Pittsburgh, Pa., where he remained until October 1, 1882, when he accepted the presidency of the University of Wooster. He held this position until 19 years ago, when he resigned and was succeeded by Rev. L. E. Holden, D. D.

Dr. Scovel, after resigning the Presidency, still remained with the institution, holding the Hoge Chair of Morals and Sociology. He stood high not only as a teacher and lecturer, but as a preacher was eloquent, earnest and convincing.

Among the students of the university he was the most beloved member of the faculty. He was regarded as one of the most able divines in the Presbyterian church.

He was a member of the Presbyterian General Council, which met in Philadelphia in 1880, and read a paper on "The Relation of Presbyterianism to Civil and Religious Liberty." During the last few years he took a great interest in the movement for international peace and was a delegate to The Hague Conference. At the recent convention at Philadelphia he was chosen president of the American branch of the society.

Rev. Scovel was wedded in October, 1857, to Miss Caroline Woodruff. Mrs. Scovel died a few years ago. He is survived by the following children: Charles W. Scovel of Pittsburgh, Pa.; Mrs. Robert Barnett of Shadyside, La.; Mrs. F. S. Hartzell of Canton, O.; Harry B. Scovel, who gained renown as a war correspondent in Cuba. He will be laid to rest by the side of his wife in Wooster cemetery.

PET DOG MAY HAVE RABIES

Keep a sharp watch for a little
white foxterrier dog. It may have
the rabies and is now running at
large.

J. E. Kourt, of 27 Wyoming street, is the owner of the dog which was a pet in the family. Symptoms of rabies developed and Mr. Kourt locked the canine up and kept a close surveillance over it as he was more than anxious to ascertain if it was affected with the disease. The dog escaped and is now at large and its owner is more than anxious to locate it. The only distinguishing mark on the terrier is a left black eye. Any one meeting with it will confer a great favor on Mr. Kourt by notifying him at once.

PAROLE GRANTED MEMBER OF THE OLD DALTON GANG

Guthrie, Okla., Nov. 30.—Governor C. N. Haskell has granted a parole to Tom Jones, a member of the Dalton-Doan gang of outlaws, who has served 16 years of a fifteen-year sentence for the murder of Deputy United States Marshal Houston, at McAlester, Okla., in 1892.

Jones, whose real name is Daugherty, was of a good Texas family and had loved the gang shortly before the battle with Deputy Marshals at Ingalls. He was asleep in a hotel when the fight began, but is alleged to have fired through a hole in the roof. He was captured and convicted of the murder of Houston and sentenced to 50 years.

Bill Dalton always claimed that the three officers slain had been killed by the fire of the rest of the gang from a lively stable and that Daugherty was not guilty.

DINSMORE IS ADMITTED TO BAIL IN GRAFT CASE

Columbus, Nov. 30.—D. W. Dinsmore, who is awaiting trial for complicity in the Slater graft scandal connected with the state printer's office, was today released on \$10,000 bond signed by the National Surety company of New York.

GIRLS WANT COWBOY HUBBIES

Lincoln, Nov. 30.—Two Newark, N. J., girls have written the postmaster of this city, asking for the names and addresses of two nice cowboys that they may correspond with them with a view to matrimony. They have a great longing to go out west.

By the very nature of his calling the oculist is inclined to be visionary.

SOCIETY

Mrs. Merle Marshall entertained the
Fortnightly club at her home in South
Pine street on Tuesday afternoon. The
club devotes the afternoon to sewing
and during the hours a dainty lunch
is served by the hostess.

The Wednesday Afternoon Thimble
club is being entertained this after-
noon at the home of Mrs. H. J. Bar-
tholomew at 181 North Fourth street.
The needles are being plied merrily
by the members and following guests:
Mrs. W. S. Turner, Mrs. Chapman,
Mrs. John Sachs and Mrs. Samuel
Sachs.

Mrs. Walter Metz is hostess to the
Wednesday Afternoon Sewing club and
is entertaining them this afternoon at
her home in Buena Vista street.

Mrs. Metz's guests for the afternoon,
aside from the club members, are Mrs.
Jesse S. Elliott, Mrs. Robbins Hunter,
Mrs. W. S. Weiant, Miss Marian Weiant,
and Mrs. Metz's house guest Mrs.
Mathilde Cadby of Hudson, New York.

Mrs. George Glaunsinger is enter-
taining the Art Embroidery club at
her home in Maple avenue this after-
noon. A number of the club members
and guests are present.

One of the pleasant events of the
week was that given at the home of
Mr. and Mrs. L. P. Atwood on Mon-
day evening when they entertained the
Molders' Quarter and a number of
friends.

The principal entertainment of the
evening was a musical program, the
quartet singing several numbers, with
Miss Velma Knisely and Miss Math-
ilde as pianist accompanist. The

latter two also rendered several instru-
mental numbers.

At ten o'clock a three course lunch-
eon was served the following guests:
Messrs. Harry Varner, Earl Pritchard,
Mike Roth, John Everts, Bert Spitzer,
Carl Maxwell, Will Darnell, Clarence
Drake, Daniel Albin, Lorence Atwood,
Friend Knisely, Mrs. Daniel Albin,
Misses Myrtle Saunders, Velma Kin-
ley, and Miss Mansfield.

The No Name Pedro club was enter-
tained at the home of Mrs. William
Davis in South Pine street Tuesday
afternoon. At the close of an interest-
ing game souvenirs were awarded Mrs.
James Jones and Mrs. Charles Sum-
mers. A delicious luncheon was served
at the close of the game to the mem-
bers and the following guests of the
club: Mrs. Earl Sayres and Mrs. James
James.

The next meeting will be at the
home of Mrs. W. F. Eberly, 24 North
Cedar street, Tuesday, December 12.

The social club of the Elks today
issued invitations for a dance at As-
sembly Hall on Wednesday evening,
December 7.

Mr. and Mrs. R. A. Rinehart planned
a surprise for their daughter, Rosa-
mund Thanksgiving evening, inviting
a few of her friends. At nine o'clock
supper was served.

Those present were: Mr. and Mrs.
R. A. Rinehart, Mr. and Mrs. E. D.
Rinehart, Mr. and Mrs. Jay Frampton,
Misses Grace Howell, Hallie Hughes,
Wilma Mathews, Cora Donaker, Anna
Van Winkle, Rosamund Rinehart, An-

**HEART and
HOME TALKS
by Barbara Boyd****The Christmas Month.**

THE Christmas month is just
around the corner. The
Christmas tingle is already
in the air. Kris Kringle has
ascended his throne in the hearts of
mankind, even if he has not yet made
his appearance on street corners in
his gay crimson costume and with
his little tinkling bell. Poor, Old
Kris! He doesn't have undisturbed
possession of the North Pole any
longer, so perhaps he is just as glad
to come to the habitats of men a bit
earlier than usual. The merry, mis-
chievous Christmas smile is here on
the faces of family and friends. Shop-
pers are good-natured—as yet. It's
early in the game. The genuine
Christmas spirit is abroad, and the
edge has not yet been taken off it.

Will this kindly, jolly spirit that
at present glides the days with gold
last until the great day itself is num-
bered with the past? Or will we after
a week or two become hurried, wor-
ried, anxious, and as the day draws
nearer, cross, irritated and more and
more frazzled? It really all depends
upon ourselves and the use we make
of our time in this beautiful Christ-
mas month.

This month brings extra burdens
to almost every one. The thing to do
is to plan to meet these burdens so
that they can be carried easily. It
takes careful planning to do it, there
is no escaping this fact. The woman
who does not plan, but who trusts to
her usual facility to get things

through, will find herself over-pow-
ered by her Christmas burdens and
everything in confusion. It is not
just pure mischance either that this
happens. If she just had to depend
upon herself and the usual orderly
routine of things, she probably would
pull out all right without planning,
as she ordinarily does. But the whole
mechanism of business and daily life
is just now bearing an unusual strain.
Cogs will slip, breaks will occur, and
these are what get the woman who
doesn't plan into trouble. The un-
expected happens—through no fault
of her own—and she suffers.

To make this a bright, happy
month, therefore, to have the finish
fulfill the promise of the beginning,
plan the Christmas duties and start
to work on them early. You can go
along then in an orderly, leisurely
fashion. The Christmas smile will
not come off, or wear thin. There'll
be no nervous rush and frantic
scramble toward the end. The Christ-
mas spirit won't flee your heart and
you wish Christmas had never been
invented. The whole month will be
a happy, joyful leading up to the
great day itself. And if the month is
so planned, the day will be a per-
fect finish, a day of peace and good-
will to all mankind, a day which
gives a glimpse of what life might be
did this love and consideration for
others reign in our hearts the whole
time.

**You wash dishes about
two hours every day.
That's one hour wasted!**

Dishes get dirty, greasy and sticky and soap will not
clean them. Soapy dish water merely cleans the surface;
it doesn't dig out the corners and drive out the decayed
food particles. Moreover, soap leaves your dishes with
a soapy, animal-fat smell, that is far from inviting.

GOLD DUST is the sanitary dish washer. It not only
cleans the surface, but digs deep after hidden particles
of dirt and kills the germs of decayed food which ordinary
dish-water overlooks. GOLD DUST sterilizes as well
as cleanses.

Besides doing the work
better than soap or any
other cleanser can, GOLD
DUST will save just half

on the regular club day. The after-
noon was spent in needle work and a
general good time. In the guessing
contest Mrs. Tom Adams received the
club prize and Mrs. Albert Keinath
the guest's prize. At 4:30 o'clock an
elegant course dinner was served in
the dining room, beautifully decorated
with large yellow and white chrysan-

Cream Corned Pudding: Mix well to-
gether one and one-half cups of
cornmeal, one and one-half cups of
flour, two tablespoons of sugar and
one teaspoonful of salt. Beat the
yolks of two eggs, and one and one-
half cups of cream and one-half of
a cup of milk and stir into the dry
mixture. Beat well, stir in the stiffly
whipped whites of the eggs and two
teaspoonfuls of baking powder, and
bake in well greased pan in a
hot oven.

Rice and Raisins—Wash a cupful of
rice and boil in a large kettleful of
salted water until tender, about eight-
teen or twenty minutes. While it is
cooking steam one cupful of seeded
raisins until plump. Drain the rice
and mix the raisins carefully with it,
using a fork that the rice grains may
not be broken or mashed. Pack lightly
in a buttered bowl or mold stand over
hot water for ten minutes, then turn
out and serve with either hard sauce,
butter and sugar or cream and sugar.

"NERVES ON EDGE!"

Dr. Greene's Nervura Cures Weak,
Nervous Women.

How nervous you are! Your nerves
are unstrung and seem all on edge.
The slightest unusual sound sets your
nerves quivering, and
you feel as if you
would fly to pieces.
And with it how weak,
tired, and completely
prostrated you feel!

Your nerves are
weak and unstrung
and the vitality of
your blood is low.
That is why you do
not sleep well
nights, feel anxious
and depressed, and
wake mornings feel-
ing so tired and
dragged out; why you
have no appetite for breakfast and
are without strength, energy and am-
bition. You need the right medicine—
Dr. Greene's Nervura blood and nerve
remedy—and you should take it at
once.

Miss Ida Hunter, 226 West 121st St.,
New York City, says:

"I was on the verge of nervous pro-
stration. Everything put my nerves
on edge. I was so nervous I couldn't
stand anything. In the morning I was
so tired when I got up that I had
to force myself to go to work. I suf-
fered greatly from dizziness and sick
headaches. My back ached so that I
felt like lying down all the time, and
I had a bearing down feeling that was
awful to stand. I was always 'blue'
and depressed, and felt weak and tired
and languid, and utterly unfit to at-
tend to any work. How I wished I
might have a vacation and take a rest!
Some one suggested that I take Dr.
Greene's Nervura blood and nerve
remedy. I did so, and I want every-
one to know how much good Dr.
Greene's remedy did me, and how
thankful I am for it. If all the women
and girls who have to work hard
would only take Dr. Greene's Nervura,
there wouldn't be so many breakdowns.
I believe it is the best medicine there
is for a run-down condition of the
nervous system. Men blame women
for being cross and irritable over ev-
ery little thing, and think they should
never get 'blue.' They don't realize
that most women and girls have to
work hard for their strength."

Dr. Greene is the well-known public
medical lecturer and specialist in
treatment of all nervous and chronic
diseases and can be personally con-
sulted, at his office, 5 West 14th street,
New York City, or by mail free

"Getting Ahead"

In a recent editorial on "Getting Ahead," the Ohio State Journal said:

"The man who is reasonably industrious and saves a little of his earnings each week, lays aside an interest-bearing fund and finally buys a little real estate of some kind, does a great deal toward making his life a success. That is the road most of the well-to-do people have traveled."

To the man who is buying his own home, the "Old Home" furnishes the plan of paying for it "just like rent." Ask your neighbors what we have done for them.

HEART and HOME TALKS

by Barbara Boyd

The Christmas Month.

THE Christmas month is just around the corner. The Christmas tingle is already in the air. Kris Kringle has ascended his throne in the hearts of mankind, even if he has not yet made his appearance on street corners in his gay crimson costume and with his little tinkling bell. Poor, Old Kris! He doesn't have undisturbed possession of the North Pole any longer, so perhaps he is just as glad to come to the habitats of men a bit earlier than usual. The merry, mischievous Christmas smile is here on the faces of family and friends. Shoppers are good-natured—as yet. It's early in the game. The genuine Christmas spirit is abroad, and the edge has not yet been taken off it.

Will this kindly, jolly spirit that at present glides the days with gold last until the great day itself is numbered with the past? Or will we after a week or two become hurried, worried, anxious, and as the day draws nearer, cross, irritated and more and more frazzled? It really all depends upon ourselves and the use we make of our time in this beautiful Christmas month.

This month brings extra burdens to almost every one. The thing to do is to plan to meet these burdens so that they can be carried easily. It takes careful planning to do it, there is no escaping this fact. The woman who does not plan, but who trusts to her usual facility to get things

through, will find herself overpowered by her Christmas burdens and everything in confusion. It is not just pure mischance either that this happens. If she just had to depend upon herself and the usual orderly routine of things, she probably would pull out all right without planning, as she ordinarily does. But the whole mechanism of business and daily life is just now bearing an unusual strain. Cogs will slip, breaks will occur, and these are what get the woman who does not plan into trouble. The unexpected happens—through no fault of her own—and she suffers.

To make this a bright, happy month, therefore, to have the finish fulfill the promise of the beginning, plan the Christmas duties and start to work on them early. You can go along then in an orderly, leisurely fashion. The Christmas smile will not come off, or wear thin. There'll be no nervous rush and frantic scramble toward the end. The Christmas spirit won't flee your heart and you wish Christmas had never been invented. The whole month will be a happy, joyful leading up to the great day itself. And if the month is so planned, the day will be a perfect finish, a day of peace and good-will to all mankind, a day which gives a glimpse of what life might be did this love and consideration for others reign in our hearts the whole time.

Barbara Boyd

You wash dishes about two hours every day. That's one hour wasted!

Dishes get dirty, greasy and sticky and soap will not clean them. Soapy dish water merely cleans the surface; it doesn't dig out the corners and drive out the decayed food particles. Moreover, soap leaves your dishes with a soapy, animal-fat smell, that is far from inviting.

GOLD DUST is the sanitary dish washer. It not only cleans the surface, but digs deep after hidden particles of dirt and kills the germs of decayed food which ordinary dish-water overlooks. GOLD DUST sterilizes as well as cleanses.

Besides doing the work better than soap or any other cleanser can, GOLD DUST will save just half the time you spend in washing dishes.

GOLD DUST is sold in 5c size and large packages. The large package offers greater economy.

The Thursday Evening Euchre club will be entertained this week by Mrs. Lewis Meyers at her home in North Fourth street.

Mrs. Edwin Besuden is this week's hostess for the Thursday Bridge club.

The Monday Afternoon Euchre club was delightfully entertained on the club day by Mrs. Charles J. Graef at her home in Wyoming street. At the close of the game the club prizes were received by Mrs. Korb and Mrs. Shamp, and the guest's prize by Mrs. David Westall.

The guests of the club were: Mrs. John Copeland, Mrs. Will Vogel, Mrs. Will Graef, Mrs. Elizabeth Connell, Mrs. John Miller, Mrs. Edward Graef, Mrs. David Westall, Mrs. Norman of Blanchester, O., and Miss Mary Snider of Zanesville. Mrs. Carl Graef assisted the hostess in serving dainty refreshments.

The Harmonious club was delightfully entertained by Mrs. Charles J. Graef at her home in Wyoming street on the regular club day. The afternoon was spent in needle work and a general good time. In the guessing contest Mrs. Tom Adams received the club prize and Mrs. Albert Keinath the guest's prize. At 4:30 o'clock an elegant course dinner was served in the dining room, beautifully decorated with large yellow and white chrysanthemums.

The following members and guests were seated: Mrs. Will Canterbury and daughter Nellie, Mrs. Jennie Johns, Mrs. Tom Adams, Mrs. James Britton, Mrs. Melvin Davis, Mrs. Joe Evans, Mrs. Otto Ramey and Mrs. Will Shamp. The guests were Mrs. James Cort and daughter Margaret, Mrs. H. O. Cramer, Mrs. Albert Keinath, Mrs. Dr. Charles Keller, Mrs. Will Graef, Mrs. David Westall, Mrs. Carl Graef, and Mrs. J. Norman of Blanchester. O. Mrs. Carl Graef assisted the hostess in serving.

Mr. John Uffner of the West End Fire department was pleasantly surprised with a masquerade party at his home in Williams street on Monday night. The evening was spent in social conversation and games after which dainty refreshments were served.

Those present were Mr. and Mrs. James Hoff, Mr. and Mrs. Henry Anderson, Mrs. Henry Jones, Mr. and Mrs. Howard Jones, Mrs. Emma Severn, Mr. and Mrs. Walter Johnson and Mr. and Mrs. L. A. Gault, Mrs. W. C. Adams, Mrs. Catherine Horn, Mrs. James Bourne, Mrs. Martha Ternan, Mr. and Mrs. G. Governor Harmon's official majority is 100,377. In the language of the late S. S. Cox, he is "thoroughly elected in every regard."

The National Tariff Commission Association has been counting up the number of Republican State conventions that have adopted platform resolutions in favor of making the Commission a permanent institution of government. This is with the view of impressing upon the Republican majority in the coming session of Congress the propriety of passing the Beveridge bill for a permanent Commission. But the association overlooks the important consideration that this Congress has been repudiated by the country, especially in all that relates to the tariff, and that this Commission business can be much better deferred to the next Congress.

A bill under consideration in the Vermont Legislature provides for a tax of 25 cents on every Christmas tree shipped out of the state. The object of the proposed tax is laudable. It is intended to conserve the forest. There will, however, be found difficulty in enforcing it, as the Federal Constitution provides that no tax or duty shall be laid on articles exported from any State. Free trade between the States is an imperative condition.

The Democratic conference in Baltimore, as proposed for January 17, will afford a fine occasion for a jubilee to celebrate the great victory of the people over the tariff reactionaries. New Nationalism, half-baked Socialists and all. To the Congress-elect, however, the people will look for the expression of their will in reformatory legislation.

Today is the last of Autumn and it is giving us indication of a pretty bold entrance of winter. The thing for the people to do is to slide into old winter's blasts with all the grace and complacency possible.

The probe into the canal graft is still finding pay dirt. It has not ceased with the election, and it is very kind of Attorney General Deiman to offer to Mr. Hogan, his Democratic successor, all the assistance he can render to get at the facts pertaining to the graft. At the same time it is noted that the bluff the grafters put up before election has practically ceased, and it will be found in due time that the people did the right

BALDHEADED MEN

Ignorance of the Hair Causes Much Baldness Among Men.

Early piety doesn't cause baldness, neither does any kind of piety. Some baldheaded men console themselves with the idea that baldness is caused by a superabundance of gray brain matter, and would have the world believe that a baldhead is a sign of great intellect.

Such, however, is not the case. Ninety-nine times in one hundred, baldness is caused by dandruff germs which dig down deep into the roots of the hair, destroy its vitality and cause it to fall out.

All this may come gradually and take time, but as an up-to-date humorist would say "what's time to a dandruff germ?"

If you have dandruff, the little invisible, persistent devils called dandruff germs are at work. Destroy them at once, or sooner or later they will cause your hair to fall out and you will be compelled to take your place in the baldheaded class.

In France baldheads are few because men understand how to care for the hair. Parisian Sage is a hair grower and invigorator that is guaranteed by Evans' drug store to grow hair if the hair root is not already destroyed, to eradicate dandruff, stop itching scalp and falling hair, or money back.

50 cents for a large bottle at Evans' drug store, and druggists everywhere on money back plan.

HOW MEN WIN

Success in Business—By the Ad Writer of the Burke State Building & Loan Company, Rankin Building, 22 West Gay Street, Columbus, O.

2. Not only by industry and economy, as we are explained, but by a study of their business. Many men fail because they do not study the work in which they are engaged. They do not think hard enough, or long enough to find out how improvements can be made so as to make their business more attractive and profitable. "PIMPLES DISAPPEAR IN TEN DAYS"

You are deceiving yourself, not your friends, by using harsh cosmetics, powders, rouges, lotions or creams. Don't think you can possibly hide a pimply, red, blotchy face, or successfully cover up liver spots. It may appear to yourself that you have succeeded, but your friends are laughing at your endeavor.

Bin-Ter Complexion Tablets permanently remove pimples, blackheads and liver spots and correct jaundiced muddy skin. There is no severe, long-drawn-out treatment. They clean the blood and remove the cause. Sold by F. J. Evans.

The Bin-Ter Laboratory, 155 E. Washington St., Chicago, will send you a large free trial box upon receipt of ten cents.

You can cure that pimply face and eruptions once and forever by means of the only common sense cure. Purify your blood and you remove the cause. Start the treatment today.

Similarity.
"What a noisy thing that bass drum is!" remarked the clarinet disgustedly. "Yes," replied the trombone; "just like a human being, isn't it?" "Like a human being?" "Yes; it's the one with the big head that makes the most noise."—London Telegraph.

Shaking Hands.

"I am not an admiral," said Bishop Burgess, smiling.

"My mistake, sah," said the head waiter. "Ah, may er know all the time I was er makin' to a military man. You like de table, colonel?"

"I am not a colonel," said Bishop Burgess, smiling more broadly. "I am a bishop."

"To be shuah, sah," said the head waiter. "Too er shuah! Ve'y sorry for mah mistake, sah. I got dem titles of admiral and colonel wrong, sah, but Ah was all right on de main issue. Ah knowed soon as I saw you dat you was one of de fust cards of your profession, sah."—Cincinnati Times-Star.

Catarrh of the Stomach

A Pleasant, Simple, Most Safe and Effective Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloated sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, flake appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily and thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harrison, the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores, under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance, that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. R. S. Workman, Chicago, Ill., writes: "Catarrh is a local condition, resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest prescription as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

XMAS TREES WILL SOON BE ON MARKET

Only twenty-five more days until Christmas, and that means it will not be very long until the local market of Christmas trees will experience the usual demand for the little green emblem of Yuletide.

The greater part of the Christmas trees sold in this section of the country come from Michigan, while many are furnished by the neighboring hill country. The demand of the larger cities, such as Columbus, Cleveland and Cincinnati is often supplied from a distance.

For instance, Virginia and West Virginia mountain districts grow many desirable Christmas trees. The New England states supply an immense demand from the cities of the east. However, Vermont has just enacted a law placing a tax on each Christmas tree sent out of the state. This is looking toward the conservation of the Vermont pine growth, which is subject, or has been heretofore, to a wonderful demand near the holiday season.

Mistletoe and holly are shipped to this part of the country from a great distance and at high cost. The casual observer and Christmas shopper who sees a great stack of holly or mistletoe and cyprus mess piled up in front of the store, has little idea of the cost and pains required to collect these dainties and ship them to this section of the country. The choicest holly and mistletoe comes from the mountains of the south, while a grade that is considered about as good but is not so abundant, comes from New England.

Lactic Acid is the arch enemy of the teeth. Under the microscope have been discovered twenty-two kinds

of bacteria in the mouth; these feeding upon the particles of food carelessly allowed to remain in the teeth produce lactic acid. This acid seeks out the weak spots in the enamel and there decay immediately begins.

You can successfully contend against the depredations of lactic acid by the constant use of

SOZODONT is a marvelous antiseptic and unexcelled deodorizer, yet it is so fragrant and delicious to the taste that every child who has used it loves it—an advantage to the mother who is teaching her children to clean their teeth.

SOZODONT TOOTH POWDER has a lasting fragrance. It is free from grit and acid, and gives the teeth a pearly lustre.

SOZODONT TOOTH PASTE is similar to Sozodont Tooth Powder, but in the form of a paste to accommodate those who prefer it that way.

PRETTY NEW THEATRE WILL OPEN TOMORROW

The work on the Empire theatre, owned by Howard Rathbun, on South Park Place, is being rushed to completion and the doors will be opened to the public Thursday afternoon at one o'clock. The new theatre is without doubt one of the prettiest, most complete and best equipped motion picture theatres in the state.

Two rooms have been thrown into one and this gives a seating capacity of 432 with the seats arranged on a gradual raise giving the best arrangements for seeing the stage perfectly.

There are two foyers to the theatre, an interior and exterior. The latter has a tile floor and the ticket booth is placed here. In the interior there are several large supporting columns of the Corinthian design and here and in the theatre proper the decorative colors are tan blending into a deep cream, the whole giving a beautiful warm tint with nothing of grotesque effect. The electric lights are arranged in groups in domes sunken in the ceilings, and are shaded with crystal shades.

The machine is placed in a zinc booth on the second floor of the theatre and has readily met every requirement of the state fire laws, making a fire impossible. The whole was designed by Patton & Bryon, architects, Newark.

The theatre opens tomorrow with the Johnson-Jeffries fight films, showing the erection of the arena, scenes at Reno, and the two training camps and incidents leading up to the fight, the fight and attending developments. The pictures require an hour and forty-five minutes to show them.

A string orchestra with piano will play daily at the theatre, with Mr. Earl Foreman as pianist. Mr. Fred Martin will manage the theatre for Mr. Rathbun and Frank Trost will have charge of the machine. Associated with Mr. Rathbun in the theatre is Timothy Giblin of the Heisey Glass Works. Mr. Rathbun and Mr. Giblin cater to the ladies and children as well as the gentlemen and the fight pictures will contain much of interest to them.

TWO SICKLY CHILDREN

Made Well By Vinol—Letters From Grateful Mothers.

New Haven, Conn.—"My little girl ever since her birth was frail and sickly, and nothing seemed to do her any good, until we tried your cod liver and iron tonic, Vinol. As soon as she commenced to take it, I noticed an improvement in her health and appearance. She has now taken three bottles of Vinol and from the good it has done her I can say it will do all you claim for it in building up and strengthening frail and delicate children." (Name furnished on request.)

Another mother of Chicago, Ill., writes: "My little girl was thin, run-down, pale and without any appetite. Vinol gave her a good appetite—she has rosy cheeks and has gained rapidly in flesh and strength."

"I cannot say too much in praise of Vinol for delicate, ailing children."

We ask every mother of a frail, sickly or ailing child in this vicinity to try Vinol on our agreement to return their money if it does not do all we claim. F. D. Hall, druggist.

Consolation.

A little girl of thirteen or so found herself one day possessed of a new emotion—a desire to be pretty. She struggled with it, but finally went to the long mirror in the hall and for the first time in her life looked at herself critically from head to foot. She saw what most girls see at thirteen—a lanky creature, mostly legs and arms, hands and feet. It hurt her, and she went out of doors to think it over. Thought resulted in tears, and in tears she was found half an hour later by her particular chum, a boy near her own age. Anxious inquiry as to why she was crying induced her to speak.

"Oh, Harold," she wailed, "I've just looked at myself in the glass, and I'm so homely!"

The boy was puzzled, but sympathetic, and made an effort at consolation. He looked at her a minute, then awkwardly patted her, saying soothingly:

"Not homely, Alice; just funny looking!"—New York Times.

Doesn't Know Her Age.

There is a glaring phase of unfairness in the position of the two sexes, despite all our struggles for the suffrage. A woman still dreads to tell her age, no matter how youthful she may look, while as long as a man looks youthful he is generally willing to admit and even to boast of how many milestones he has passed. There is at least one father who understood this problem in time and who gave his daughter a fair chance in life by never letting her know how old she was. He realized at her birth that a time would come when she would not want to tell her age, and he spared her the humiliation of having to prevaricate, so she was never told either her age or the place where she was born, and there were no birth records preserved in the family New York World.

SWANSON'S "5-DROPS"

ENDORSED BY PEOPLE IN ALL SECTIONS OF THE UNITED STATES

THE GREAT REMEDY FOR RHEUMATISM

Lumbago, Sciatica, Gout, Neuralgia, Kidney Troubles, Catarrh, Asthma and Kindred Diseases

Read What These People Say

Cured at Rheumatism, Kidney and Bladder Trouble.

Mrs. L. J. Weaver, Columbia, S. C., writes: "I have suffered from Rheumatism and Bladder trouble, also Rheumatism all through my body and tried everything the neighbors told me of and was treated by three physicians, but nothing done any good. I began to use your '5-Drops' and it cured me. I took it twice a day and had it rubbed on me. I cannot praise it too highly."

Cured His Wife — The Best Remedy for Pains.

A. M. Basley, Mansfield, Tex., writes: "I have bought your '5-Drops' for several people here and it never failed in a single case. It cured my wife of Sciatica, when, for six months, she was unable to walk without crutches. I think it is the best remedy for pains I ever met."

Rest Remedy for Kidney Trouble — Feels Like a New Man.

J. L. Greene, Henderson, N. C., writes: "I have two bottles of your '5-Drops' for Kidney and Liver trouble and now feel like a new man. Those who are suffering with Kidney trouble should try '5-Drops' and they will soon report it the best remedy. Only one '5-Drop' a chance and it will do the rest. I have gained much success in the last three weeks and can eat, sleep, run and skip like a boy."

Kansas Men Testify — "5-Drops" Cured Them.

E. Hubbard, St. City, Mo., writes: "Your '5-Drops' has cured me of Rheumatism, with which I suffered for three years. It has also cured a friend of mine of Kidney Trouble."

Chas. D. Brandon, Valley Falls, Mo., writes: "I had Catarrh of the head and Neck, and had not breathed out of my left nostril for five years. Now I am taking '5-Drops' I can breathe out of it all right. Only one '5-Drop' a chance and it will do the rest. I have gained much success in the last three weeks and can eat, sleep, run and skip like a boy."

Suffered From Asthma — "5-Drops" Gave Quick Relief.

Mrs. Nellie Robert, Girard Ill., writes: "I used your trial bottle and one large size bottle of '5-Drops' and have not been troubled with Asthma since. For three months before I got your medicine I had been struggling for breath and all of my friends had given me up to die. Now I can rest as well as any boy."

OBITUARY

MRS. MARY A. CHILCOTE.

Mrs. Mary A. Chilcote, widow of the late John Chilcote, formerly a well known farmer residing in the vicinity of Fredonia, died at her home in Fredonia on Tuesday evening, November 20, after an illness of only a few days with a complication of troubles, superinduced by advanced age. She is survived by two sons, Paul and Ira Chilcote, both of whom live in Fredonia. The funeral services will be held at the Fredonia Baptist church on Thursday morning at 11 o'clock, standard time, and the interment will be made in the Fredonia cemetery. The services will be conducted by the Rev. Bunyon Spencer, of Granville.

FUNERAL OF BERNARD BEVEL-HYMER.

The remains of the late Bernard Bevel-Hymer, a former well known resident of Hebron and a Paraskala, who died at his home in North Dakota, were brought to Hebron Tuesday and interred in the Hebron cemetery. Funeral services were held in the Disciples church and were attended by a large number of relatives and friends. The deceased had for some time been a sufferer from asthma and heart trouble, and his death was due to these ailments. He was married to Miss Effie Hutsell, a daughter of Harvey Hutsell of Hebron, about ten years ago. He was a member of the Modern Woodmen of America, in which order he had \$2000 insurance.

RAILWAY AFFAIRS

Cutting Off Passes.

Traffic representatives of western roads in this city are speculating as to the effect the determination of those roads, just announced, not to grant annual passes or other free transportation of any kind to representatives of other roads of rank below that of assistant general passenger agent and assistant general freight agent will have upon them in respect to free transportation over the Eastern lines hereafter. The new order of things will be instituted with the beginning of the year.

It was learned that originally, it was proposed to make the exclusion from free transportation privileges apply to passenger men only, but that the plan was found to be impracticable, hence its extension to include freight men. Expense accounts of traveling agents will necessarily be much larger in amount than formerly, since many of them cover thousands of miles every year. The passenger receipts of the various roads will, of course, profit proportionately.

Lesson of a Boy.

The president of the R. & O. Railroad company is Daniel Willard, accounted one of the greatest railroad men in the country. Here is a little account of his early life:

He went from the district school of a little town in Vermont, about 1855, to employment in the shops of a railway, having been first installed as pump boy. His hours were from 7 o'clock in the morning until 5 in the afternoon. But he really had no hours. After the business day was finished in the shop the boy voluntarily took the pumps to pieces, in order that they might thereby be protected from climatic or other dangers. This occupied him for an hour or two. In the morning he was out of bed at 4 o'clock, so that he might have abundant opportunity to put the pumps together by the time the machinery started at 7. Thus was disclosed in him fidelity and executive energy and constructive ability.

Had Been Given Up to Die

AVENATONE CURED HIM!

THEOPHILUS FULTZ, OF LEWIS-TOWN, OHIO, WRITES:

"When I began taking your AVENATONE I was jaundiced and all bloated up, had been sick and doctoring with first one, then another for some eight months. I had given up to die. Didn't have any faith in anything or any doctor's medicine. Your medicine had cured a neighbor and she had persuaded me to try it, and I am thankful to say that I am well today and your remedies cured me."

This is only one of the many testimonials received every day extolling the merits of AVENATONE. Write to Dr. A. L. Huston Med. Co., Fostoria, O. They will give you free of charge, any medical advice you may desire pertaining to catarrh in any form. The price of AVENATONE is only a bottle. LOCAL CAMP OF S. OF V. INSPECTED BY COM. FELTON

Mr. F. O. Spaulding, of Camp Incho No. 250, Sons of Veterans, accompanied by about fifteen members of the local camp, will go to Columbus next Tuesday where in the evening he will act as inspector of the Columbus camp of the order. This is the regular annual inspection.

The local camp inspection occurred here in the Memorial building Monday night in the presence of an attendance representing about 50 per cent of the membership. Commander E. S. Felton of the Co-hocton camp, Sons of Veterans, one of the assistant inspectors of the division, presided. His report showed the camp to be in excellent condition and was generally accepted as very flattering to the local commandant.

The annual election of officers of Camp Incho will take place at the next regular meeting, which will be held the second Monday of next month. The installation will occur at the following meeting on the second Monday in January.

BURLINGTON TOWNSHIP SUNDAY SCHOOL CONVENTION.

Although the afternoon and evening were very stormy, Burlington township was well represented in its Sunday school convention Sunday, Nov. 27.

Miss Carroll, the county secretary was present in the afternoon and gave an address on the organized work. She was followed by Miss Turner of Utica, who made a very earnest appeal for more devoted and consecrated teachers. The afternoon session closed with an address by Mrs. Curtiss, "Seeing, Hearing and Doing." Mrs. Curtiss is an elementary specialist, and her talk was a most helpful one.

In the evening Mrs. Curtiss told in her own charming manner of the ways in which some Sunday schools celebrate the Christmas festival, closing with the beautiful story of "White Gifts for the King," or how one Sunday school found the best way of all to celebrate the King's birthday.

A short round table discussion followed by the election of officers, closed the convention.

Those wishing to know of the Christmas plan Mrs. Curtiss described can get information by addressing the Ohio Sunday School Association, Columbus, Ohio.

Cure Yourself With 2c Turkish Bath

Remarkable Results of Robinson "Thermal" for Rheumatism, Nervous Breakdown, Kidney Trouble, Skin and Other Diseases.

Does What No Drug on Earth Can Do.

The results produced by a Robinson "Thermal" Bath inside of 30 minutes are almost beyond belief. Physicians everywhere are turning from drugs to thermal baths in the treatment of many diseases.

It has been found for instance, in the case of rheumatism, that uric acid in the blood can be extracted from the system completely in a few days' time.

Eczema can be completely cured within a week.

After one or two thermal baths, nervous wrecks find the change to strength and vigor hard to realize.

Similar results are obtained in cases of kidney trouble, neuralgia, pimples, all skin diseases, throat and lung trouble, constipation, indigestion and colds.

It is now possible for any man or woman to have Robinson Thermal baths at home with hardly any trouble at all, and at a cost of only a few cents.

Whatever your disease or ailment, get a Robinson Thermal Bath Cabinet, and you will not only cure yourself quickly but realize as you never did before, what real vigor and health are.

The Robinson Thermal Bath Cabinets are on exhibition and for sale in Newark at W. A. Egan & Son, City Drug Store and R. W. Smith's.

Go and examine them. Ask the dealer also for the book, "The Century: The Philosophy of Health and Beauty," price two dollars, but given away free for a limited time. If you cannot go and see these wonderful cabinets send your name and address to the Robinson Mfg. Co., Suite 102 Snowflake Bldg., Toledo, Ohio, for full illustrated information, free.

GOT LICENSE A YEAR AGO JUST MARRIED

Couple Thought License All That Was Necessary—Facts Came Out in Law Suit.

Gligate Rittvoil and Victoria Bosanci, foreigners, were married on Monday by Justice W. F. Holton. On Dec. 31, 1909, they procured a license to marry. No ceremony was ever performed, the couple thinking that the license was all that was necessary. In a court proceeding coming before Squire Holton the state of affairs was revealed and steps were immediately taken to right the matter, which was done by Squire Holton marrying them.

Rheumatism in Ankles

One Bottle of Rheuma Cured Woman Who Could Not Walk.

Marvelous as this story may seem it is absolutely true; but this is only one of the many almost magical cures that Rheuma is performing these days.

Mrs. Gertrude Kezel, Smithfield, Pa., wrote on Feb. 14, 1910: "I had rheumatism for over a year; it settled in my ankles and I could not walk. I have taken one bottle of Rheuma and do not have any more pain, and I can again walk as well."

Evans' Drug Store will sell any reader of the Advocate a bottle of Rheuma for 50 cents and guarantee it to cure any case of any kind of rheumatism or money back.

Gratifying relief comes in a day because Rheuma acts at one time on the kidneys, stomach, liver and blood, and starts to rid the entire system of poisonous uric acid at once. Mail orders filled, charges prepaid by Rheuma Co., Buffalo, N. Y. Write for free trial bottle.

English Marhue is the real remedy for indigestion. 5 cents at Evans' Drug Store, or mailed by Rheuma Co., Buffalo, N. Y.

Railroad Lands in Sunny South

TIRED OF FIGHTING THE WEATHER?

Don't you want to get away from blizzards and droughts? Come to Vinegar Bend, Alabama, where pleasant year-round weather enables a man to live a rational life; where there is neither freezing winter cold nor blazing summer heat to make life one long struggle with the uncertainties of climate. We have here most delightful climate, pure water, no irrigation, only 40 miles from the Gulf and 300 feet above it. Elevation means health.

Land within walking distance of Vinegar Bend, Ala., a new industrial city, not a town on paper—but an up-to-date, live, reality, with manufacturing plants, daily sending forth smoke and steam, and employing hundreds of men. The only place between Mobile, Ala., and Meridian, Miss., a distance of 135 miles, lighted by electricity.

No wilderness—seven mails every day—R. F. D. to your home daily. Good school system, churches, good neighbors, good local markets, best railroad facilities, building material at cost, fine grazing and dairy country, good for poultry, bees, Sumatra tobacco; Satsuma oranges, figs, vegetables, general farming and live stock. Three crops a year, work outdoors the year 'round; no malaria; no yellow fever; no sunstrokes; no heat prostrations; no better fruit and truck land in the United States. A normal full bearing acre of this land can be made to produce an average profit of \$300 per year.

WHY DON'T YOU stop trying to win out against the terrible odds of the city and take up the profitable business of a truck grower? No great capital required. Ten acres of this land—the size of 4 city blocks—can be bought for \$200, ten dollars down and \$5.00 per month, less than 17 cents a day, and remember every day you set aside these few pennies is a step toward independence. Isn't this worth considering?

Mr. Frank Salrin and his brother, A. W. Salrin, from your city (Newark, O.) will be glad to tell you personally about the opportunities here. Both of these gentlemen spent several days here. They bought some of this land after a thorough investigation. You can meet them at the store of Ed. Doe, No. 7 North Third street. There you will also see some of the fruits and vegetables grown on these lands.

GRANVILLE RESIDENTS SATISFIED

Don't Want the Price of Natural Gas Changed—News of the Thriving Village.

Granville, Nov. 28.—The action of the town council in securing an injunction to restrain the Crawford Natural Gas Co. from collecting the increased rates recently imposed on the people is meeting with general approval. As long as the Crawford village there was no thought of raising the rates, and the fact that the company has been furnishing gas to consumers for many years at a rate far below that now asked, is evidence that it has not been a losing investment. At least two other companies are anxious to furnish gas to the people of Granville.

It is gratifying to know that the prevalence of typhoid fever is growing less as the years go by, but it is still far too great. The fact that it has been materially reduced should be still further reduced, it not entirely abolished, and should also become incentive to both official and popular efforts toward that end. There is no disease the prevalence of which is more discreditable to a community than typhoid fever, for it is one that is conspicuously due to slovenliness and filth. With the coming of next spring there should be some way of doing away with the many cesspools that abound in the village.

Perhaps no other town in the great state of Ohio can boast of as many prosperous fraternal and beneficial lodges as does Granville. Among the most prosperous is that of Altamaha Lodge, No. 296, Knights of Pythias. This lodge was instituted May 10, 1888, by Grand Chancellor S. A. Court. This lodge had for its charter members the best citizens of Granville, many of whom are still members of the order. While the growth of the lodge has not been of a very rapid nature, yet it has been built up of sound and conservative men of that noble purpose that has brought Altamaha to the front within the recent few years, and stands without a peer for its true and loyal knights. The lodge today has in the neighborhood of 150 members and is still growing.

One of the most delightful social events that has been held in Granville for some time was that of Tuesday night, when the members of the Fortnightly Club entertained the members of the Travelers' Club in the parlors of the Baptist church. There was a large attendance of the

CANDIDATES SELECTED FOR DEBATING TEAM

The preliminary debate to select ten candidates from whom will be later selected eight debaters, was held in the high school auditorium Tuesday afternoon.

The names of the ten students selected are: Quincy Cheadle, Leo Christensen, Gail Keckley, Esther Kinsane, Ralph Laughlin, Walter Orr, Byron Prior, Ethel Shearer, Truesdell Stevens, Carl Walker.

Another debate will be held in the near future to eliminate two of the speakers, and the remaining eight will be divided into two teams, the affirmative and negative, which will enter the Inter-School Debating League, with Mr. Vernon and Zanesville.

PHARMACY BOARD ASKS TO HANDLE POISON LAW

The state pharmacy board will bring an amendment to the state laws to the state of poisons, giving the matter of the enforcement of the law to the pharmacy board. When it was enacted there was a dispute as to whether its administration should be placed in the hands of the state board of health or the pharmacy board. The board of health was the one that was given the responsibility of all sales of poisons made by them, but the general public is not in touch with the board.

The board of pharmacy will also bring the passage of the medicine vendors' bill which was up last winter, but debated. The license fee to be reduced will be reduced, but no one will be allowed by the board to sell medicines that are not sanctioned by the state board.

members of both clubs and they were most delightfully entertained by Prof. C. L. Williams with an interesting and instructive talk on "Macbeth," a subject with which the professor is perfectly familiar. During the evening refreshments of a most appetizing nature was served. A reception followed the talk of Professor Williams.

The people of Granville are particularly blessed in the way of holiday shopping, as they can get about everything they need and desire right

here in Granville and in Newark. There is no valid reason why any citizen of Granville should go to any of the big cities for anything needed, when the merchants of Granville and Newark can supply all their needs.

Farmers who have occasion to draw up contracts, agreements, notes, checks, etc., should remember that the safest plan is to employ pen and ink for this purpose—never use a lead pencil. The law will recognize the lead pencil, but the writing may be erased too easily, and the amount

or terms may be changed. If pen and ink are not at hand when drawing up such papers, use an indelible pencil.

COMMUNICATED

Editor Newark Advocate:—Will you
kindly allow a little space in your va-
luable paper to ask a few questions
which I would like answered through
the columns of your paper.

In the latter part of July, 1909, the
writer had city water piped into his
house from the new Municipal system
which is being installed in the city of
Newark at the expense of the tax-pay-
ers to the extent of \$600,000.00 when
completed and possibly more than that.
Upon making application for water I
went to the water works office and
filled out my application. I went pre-
pared to pay whatever charges were
necessary, but was told that the city
would furnish a meter for me free of
charge and would furnish water at the
rate of 15 cents per 1,000 gallons,
which was very satisfactory. The lat-
ter part of March, 1910, I paid my
water rent, which was 75 cents for
5,000 gallons at 15 cents per 1,000 gal-
lons, for which I have a receipt. My
meter has never been read since.

I noticed in a local daily paper of
some few weeks past under caption of
council proceedings, when \$700.00 had
been appropriated by city council with

which to buy water meters, another
\$700.00 to be added to the \$600,000.00
already spent by the city.

I see also that the meters have been
purchased at a cost of \$8.40 per meter.
I also note that the rate for water
will be 18c per 1,000 gallons or 20c per
100 cubic feet, which are practically
the same thing according to the
paper, instead of 15c per 1,000 gal-
lons as was the case when I signed my ap-
plication.

Some few days ago I received a
statement from the water works office
that I was in debt to the city \$8.50 for
a water meter which cost the city
\$8.40, and for the past year and four
months I have been under the impres-
sion that the meter was the property
of the city, furnished to me by the
city, to measure the product of the
city for which I was to pay 15c per
1,000 gallons, but for some unknown
reason to me seems to have raised to
18c per 1,000 gallons. I have seen no
reason for the raise, only that Mr.
Christian says so. Mr. Christian also
says we are to pay \$8.50 for a meter
that cost the city \$8.40. Hence the fol-
lowing questions:

1. Why has the rate of 15c per
1,000 gallons been changed to 18c per
1,000 gallons, which are practically
the same rates charged by the old
company?
2. Is there not a law whereby a cor-
poration, municipality or concern of
any kind must furnish their own
measure or meter for their own prod-
uct?
3. Why are the meters already set
and in use never read, so that the city
might have an income?
4. What is to be done with the dif-
ference in the cost of each meter to
the consumer (\$8.50), and the cost of
same to the city (\$8.40)?

NEW WATER OFFICE ESTABLISHED IN CITY BUILDING

White & Webb, the contractors, are
testing the Madison avenue water pipe
line. When the test is completed the
lines of the two systems will be con-
nected at Madison avenue and East
Main street to give better pressure in
the vicinity of the County Children's
Home.

The transfer of the office and records
of the Newark Water company to the
municipal water works office was be-
gun Wednesday morning. A new
pressure gauge was installed in the
municipal plant office in the city build-
ing Wednesday morning, having direct
connection with the mains of both the
Newark Water company and the mains
put in by the city. The connections
are direct from the pumping station
and are not on service lines. The
gauge shows both the pressure per
inch and the head of water in the
reservoir. One connection to the
gauge is off the 16-inch municipal
pump main, and the other is off the
direct main of the old company. The
gauge is furnished by the National
Gauge company of New York.

From and after Thursday the office

of the Newark Water company will be
with that of the municipal plant in the
city building. The city will take
charge of the records Thursday and
get ready for the city system of col-
lecting.

At the regular meeting of Hebron
Lodge, No. 118, F. & A. M., held on
Tuesday night in the Masonic hall
in Hebron, there was an unusually
large attendance of the members, due
to the fact that the recently elected
officers were to be installed by Past
Master Frank Slabough. In addition
to the local members of the lodge,
there were in attendance quite a
number of visitors. Following are the
officers, who were installed:

W. M.—C. V. Chism.
S. W.—R. F. Buckland.
J. W.—E. Geiger.
S. D.—J. W. Bartholow.
J. D.—Roy Raughter.
Treasurer—C. A. Pence.
Secretary—M. S. Geiger.
Stewards—C. B. Bennett and Rob-
ert Cooperider.
Chaplain—T. P. Jones.
Tyler—John Price.
At the conclusion of the work
about one hundred Masons, together
with their wives and ladies enjoyed
a sumptuous banquet.

Y. M. C. A. NOTES

Tonight at 8:15 o'clock there is
to be a most significant and impor-
tant meeting at the Y. M. C. A. The
gathering is to be composed of men
interested in the welfare of Newark's
boys, peculiarly boys 14 to 18 years
of age. Mr. R. A. Waite of New
York city will lead the discussion
and bring the latest news of develop-
ments in co-operation for the train-
ing of boys.

A special and urgent invitation is
given to each pastor, every Sunday
school superintendent, men, who
teach boys' Bible classes or men's
members of the school board, the
probate judge and the protection of
ficer and also such physicians and
other men who are interested in boys,
who can take the time to be present.
Mr. Waite is one of the great spe-
cialists of the country on boy life.
"Practical Electricity" is one of
the branches taught at the Y. M. C.
A. Some ten students being en-
rolled. Tomorrow night at 7:30 (the
class will take the next lesson and
young men interested ought to en-
roll at once. The course is valuable
and the cost not large. Mr. C. W.
Koehler, head of the Wehrle power
department, is the teacher. He is a
chain lightning enthusiast.

The wedding of Miss Hazel Ryan
and Mr. Spencer Fink will be solemn-
ized at the Plymouth Congregational
church this evening. Rev. T. Morris-
son Thomas, pastor of the church, will
read the marriage service.

TWAIN

**A
New
Edition**

Now for the first time you get a complete set of all Mark Twain's writings at just exactly one-half the price they have ever been sold before. This is a new edition, just as complete as the old one, which still sells, by the way, at \$50.00. This new edition is only \$25.00—for the 25 volumes.

It had been Mark Twain's ambition to have his books in every American home, and he made a great personal sacrifice to bring about this remarkable opportunity—for the first time in the history of publishing, copyrighted books are sold at the price of non-copyrighted books—the chance will not come again.

But for Mark Twain's action this would have been impossible. Never before has a copyrighted library set of a standard author's works been issued at such a low figure.

His Complete Works— 25 Beautiful Volumes

Brander Matthews says: "Mark Twain will be included in that group of writers headed by Molière and Cervantes. With the exception of Count Tolstoi, Twain was the greatest of recent modern writers, and will be handed down to posterity through the trio of his works 'Huckleberry Finn,' 'Tom Sawyer,' and 'Pudd'nhead Wilson.' Twain is a greater stylist than Stevenson or Thoreau, and his 'Man that Corrupted Hadleyburg' is one of the finest works in English literature." Mark Twain himself wrote a preface to this edition. Brander Matthews has written the biographical criticism of Mark Twain and his work. There are portraits of the author at periods when the different books were in process of writing.

There are beautiful pictures by such artists as Frost, Newell, Smedley, Thudstrup, Cinedinst, Kemble, and Oppen. The binding is in rich red top silk book cloth, with title labels stamped in gold. The books are printed on white antique wove paper, especially made for this edition. Each volume is of generous size and bulk, 5 7/8 x 9 inches.

PEARY READS COOK'S CONFESSION

Washington, Nov. 20.—Capt. Robert E. Peary today read the story of Cook's confession without showing any emotion and after carefully reading it all announced he had no comment to make. He seems perfectly willing to let the American public pass on Cook's case.

Have Beautiful Hair.

Soap and water if used too frequently will spoil any head of hair. The best hair treatment is a dry shampoo made as follows: Get six ounces of pulverized orris root and two ounces of ylang ylang. Mix thoroughly and keep in a tight box or jar. At night apply a heaping tablespoonful to the hair; distribute with the fingers all through the hair to the scalp. Next day comb and brush until all trace is removed and as a result any man or woman will have beautiful, fluffy hair.

This removes dirt, surplus oil, dandruff, etc. It is the best thing ever devised for excessively "greasy" hair. Many easterners now use it regularly. Men use it daily and ladies one to three times a week.

Farmers' Families

The farmer and his family are often at the mercy of death owing to their distance from a physician. As a rule farmers and their families eat heartily of many rich foods and as a consequence their systems need assistance in eliminating the waste from the bowel tract. There is a cheap pleasant and reliable remedy which every one

Should Know About

and which takes the place of disagreeable salts, castor oil, calomel, etc., and which acts pleasantly on the bowels, stomach, liver and kidneys. My sweet little pill is better than castor oil and sugar coated, pleasant and easy to take for any stomach or bowel disorders. Just try a package of

CascaRoyal Pills.

A MEMORIAL.

In loving memory of our darling, Lizzie Priest, who died Dec. 4, 1909, aged 6 years.
Precious darling, she has left us.
Left us, yes, for evermore.
But we hope to meet our loved one
On that bright and happy shore.
Lonely the house and sad the hours
Since our dear one has gone.
But Oh! a brighter home than ours
In heaven, is now her own.
We miss thee from our home, dear.
We miss thee from thy place.
O shadow o'er our life is cast.
We miss the sunshine of thy face.
We miss thy kind and willing hand.
Thy fond and earnest care.
Our home is dark without thee.
We miss thee ever, where.
It is sad that one we cherish
Should be taken from our home.
But the joys that do not perish
Live in memory alone.
Oh, that dear one, how we loved her,
Oh, how hard to give her up.
But an angel came down for her
And removed her from our flock.
Farewell, dear, but not forever—
There will be a glorious dawn.
We shall meet to part, no, never.
On that resurrection morn.
Tho' thy darling form lies sleeping
In the cold and silent tomb,
Thou shalt have a glorious waken
When the blessed Lord doth come.
—Father, Mother and Sister.
